Position Summary

Registered nurses are responsible for the assessment, care planning and evaluation and care coordination for all patients registered with Hospice Taranaki. The care is holistic in nature and incorporates the Te Whare tapa Wha model of health. The care may be provided in the patient's home, hospice inpatient unit, hospital, aged care facility or disability support residence. The registered nurse works within the Scope of Practice required by Nursing Council New Zealand. The registered nurse is responsible for the direction of Enrolled Nurses and Health Care assistants and delegation of care to these health professionals.
