

## **Life Threatening Illness Program (LTI)**

*This 4 week family and peer support program has been specifically designed for children and young people aged 5-18 years of age, living with a loved-one affected by a serious or life-threatening illness.*

The program is run by trained and police-vetted facilitators in many areas in Taranaki.

The weekly one-hour sessions include activities, games and crafts to assist participants to think and talk about their experiences in a supportive and safe group.

To find out more, or register interest, please contact the program coordinator near you:
