Celebrating our long service volunteers

vol•un•teer

A special person who lends a helping hand, a listening ear, offers care and support to those in need. They dedicate their time, energy, skills and knowledge to make a difference. Someone who is caring, generous, thoughtful and selfless.

THANK YOU TO ALL OF OUR WONDERFUL VOLUNTEERS. YOU DO MAKE A DIFFERENCE!

As this year draws to a close we reflect back on the many happenings of the last twelve months and look forward with some trepidation to the challenges of 2024. It's a time when we acknowledge the wonderful volunteers of our hospice – this year at our service award events we recognised a combination of almost 500 years of volunteering across our services!

It is also a time when we reflect on the fantastic support our community gives us through our Hospiceshops, making bequests, purchasing equipment and supporting our many fundraising events. We truly are fortunate to be the most respected and highly valued charity healthcare provider in Taranaki.

Whatever the Christmas season means to you, may it be a time of peace and spending time with those who are important to you. Thank you all so much for your connection to our hospice this year and we look forward to your support in 2024. *Paul Lamb, CEO.*
