NEWSLETTER FOR OUR COMMUNITY

Sustaining Hospice Care thanks to community support.

- Our hospice, despite being a charity, faces commercial costs similar to for-profit businesses.
- Fundraising is essential to bridge the financial gap between government funding and the actual expenses of providing palliative and end-of-life care in Taranaki.
- Nearly 85% of our operating expenditure goes towards salaries for our specialised palliative care staff.

- Donations and Grants help us recruit, retain, and recognise these crucial team members, including medical doctors, nurses, social workers, counsellors, pharmacist, and spiritual care staff.
- Community support also aids in covering essential expenses like building rent, vehicle fuel, energy costs, and property maintenance.
- At times, we may seek targeted funding to offset specific business expenses.
- We are sincerely grateful for the ongoing support from our community, which enables us to provide vital care services at no cost to anyone in need.

Day Program delighted by talented musicians

The day program were treated to a delightful music concert by Ming and Friends. These 'virtuosos in training' shared not only a range of well-known songs but also their own compositions using piano, guitar, violin, ukele and waiata. 'Moon River' and 'What a wonderful World' were hits with the audience who happily joined in with a singalong.

The sun shone and so did the golf at Kaitake Golf Club when Port Taranaki hosted its recent charity golf event the 'Harry Blyde Cup'. This annual tournament raised a fantastic \$5,300 which will go a long way in providing essential care to our patients. The relationship with Jeff Clement, Port Taranaki, and the Harry Blyde Cup is valued dearly, and we are very grateful for what this event has provided our organisation over a number of years.

On 4th May, Port Taranaki also ran a very successful new initiative, "Behind the Scenes" bus tour of the Taranaki Port. This was so popular they sold all 4 bus tours in a matter of days! All ticket sale proceeds were kindly donated to Te Kahu Pairuri Hospice Taranaki.

Shaskeen Reel mesmerizes at sell out charity concert!

It's amazing what wonderful things happen when our community comes together. Legendary Celtic folk band Shaskeen Reel recently rocked out to a SOLD-OUT charity concert at the marvelous 4th Wall Theatre. We are truly thankful for not only the foot tapping tunes but also the \$4000+ raised.

Shaskeen Reel: Brothers Rob and Dennis Green, Geoff Notman, Mark Corbett and Dave Nepia.

This really was a perfect way to spend a lazy Sunday afternoon! Go raibh mile maith agat! Thank you

Marie Baker - Waitara HospiceShop

"A huge shout-out to Marie who volunteers three mornings a week. Not only that but she'll often come in on other days if we're inundated with donations!!! As well as the wonderful job Marie does of sorting and pricing our clothing, she's always smiling and ready for a chat! Marie enjoys walking to work, is very involved in her local church and busy staying in touch with her large family. Marie lights up our clothing room and is integral to its smooth running! Thanks so much Marie!" *Tia, Shop Manager, Waitara.*

Knitters need to knit

The cooler weather is creeping in and the Hospice Knitters are heading out, but this dedicated group desperately needs more wool so they can continue to make and sell bespoke, handcrafted knitwear. You will find them at Vogeltown Woolworths (Countdown) every Weds and Thursday, from 9am - 2pm, right through until mid-August. We're so thankful for this hardworking team and their commitment.

Can you help?
 Maybe next time you are at Spotlight checking out the bargains you would like to buy an extra skein of wool?
